REMEO GELATO, AUTHENTIC GELATO, TASTEFULLY CRAFTED.

Remeo Gelato Ltd is a company that offers top quality genuine Italian gelato, produced and packaged in Italy and 100% made with natural ingredients: two features that cannot be found in any other ice cream brand in UK.

The quality of the product, the authenticity of the provenance and the innovative packaging make it a product positioned in the so called "super-premium" category.

The company distributes successfully to high end delis and fine food providers across London. We recommend (100ml and 500ml jar) the following flavours:

- Caffé Espresso: with 30% of Italian espresso coffee, 20% of pasteurized fresh milk
- Bourbon Vanilla: with 45% of pasteurized fresh milk and Bourbon vanilla pods from Madagascar
- Chocolate 72% Cocoa: with dark chocolate 72% cocoa beans and 45% fresh pasteurized milk
- Italian Strawberry: with 40% of Italian strawberry

Our advice... This exceptional gelato deserves to be tasted with GREAT LOVE!
